| Detailed Description             | Rotary Switch 2 Position SPDT 50mA (AC), 200mA (DC) 115VAC Panel Mount, Through Hole |
| Depth Behind Panel               | 4.57mm                                                                               |
| Current Rating                   | 50mA (AC), 200mA (DC)                                                                |
| Contact Timing                   | Non-Shorting (BBM)                                                                   |
| Contact Material                 | Silver Cadmium Oxide (AgCdO)                                                         |
| Contact Finish                   | Gold                                                                                 |
| Circuit per Deck                 | SPDT                                                                                 |
| Angle of Throw                   | 36°                                                                                  |
| Actuator Type                    | Flatted (3.17mm Dia)                                                                 |
| Actuator Length                  | 7.98mm                                                                               |

Components-Store.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Grayhill, Inc. series electronic components. We have 3240 pieces of Grayhill, Inc. 77SPT36-01-1-02N in stock available now. Request a quote from electronics components distributor at Components-Store.com, our sales team will contact you within 24 hours.
