

**QS63XXY24**

**Part Number:** [QS63XXY24](#)  
**Manufacturer:** [APEM Inc.](#)  
**Description:** INDICATOR 6MM FIXED YEL 24V WIRE  
**Data sheet:** [PDF QS Series](#)

**RoHS Status:** Lead free / RoHS Compliant  
**Ship From:** Hong Kong  
**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Ratings                          | DC                                                                                                           |
| Panel Cutout Shape               | Round                                                                                                        |
| Panel Cutout Dimensions          | 0.24" (6.00mm)                                                                                               |
| Other Names                      | 679-3379                                                                                                     |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                                |
| Millicandela Rating              | 20mcd                                                                                                        |
| Lens Transparency                | Diffused                                                                                                     |
| Lens Style/Size                  | Round with Convex Top, 7.20mm                                                                                |
| Lens Color                       | Yellow                                                                                                       |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                                                   |
| Lamp Color                       | Yellow                                                                                                       |
| Ingress Protection               | -                                                                                                            |
| Features                         | -                                                                                                            |
| Detailed Description             | LED Panel Indicator Yellow Diffused 30° 24V 20mA Round with Convex Top, 7.20mm Wire Leads - 7.87" (200.00mm) |
| Current                          | 20mA                                                                                                         |

Components-Store.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all APEM Inc. series electronic components. We have 51731 pieces of APEM Inc. QS63XXY24 in stock available now. Request a quote from electronics components distributor at Components-Store.com, our sales team will contact you within 24 hours.
